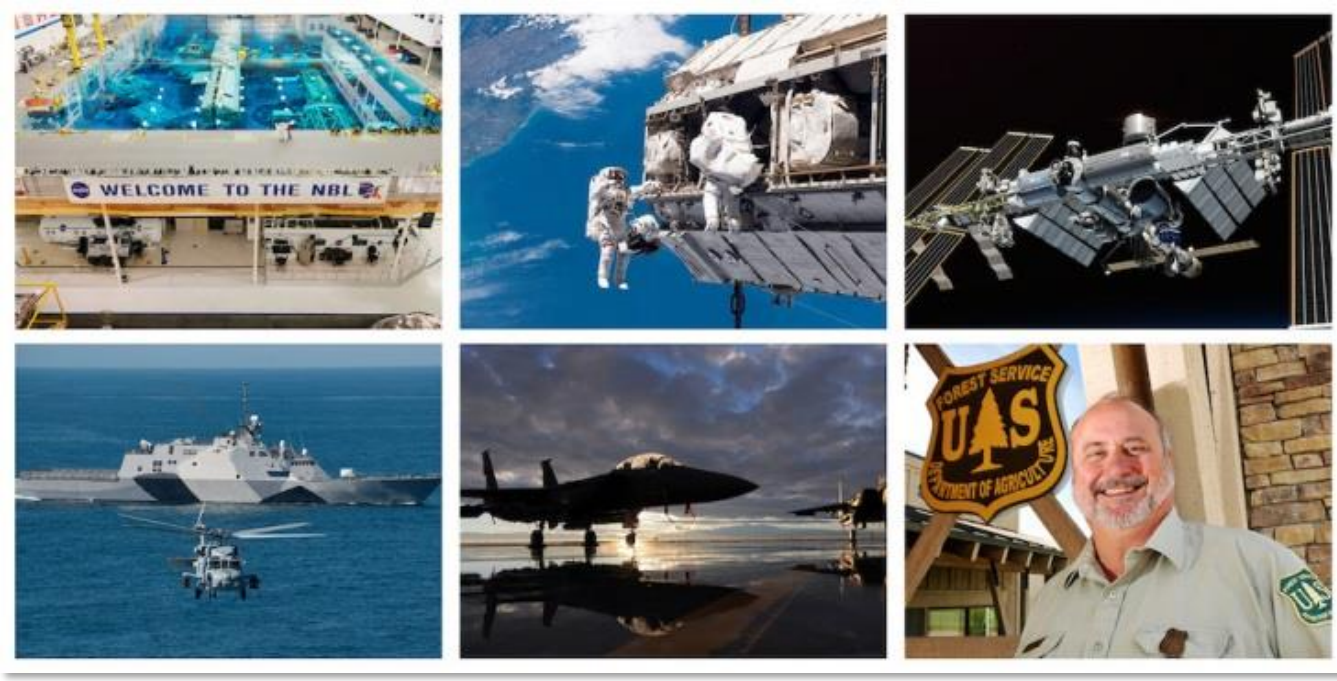
Anadarko
Industries, LLC
a native american company



CAPABILITY PROFILE 2018

TRIBAL PURPOSE

The Wichita and Affiliated Tribes' Wichita Tribe Industrial Development Commission (WTIDC) has oversight for Anadarko Industries, LLC (AI).

AI was established as an economic development project to generate profits that can be used to benefit all members of the Tribe.

- Incorporated by Tribe in July 2003
- AI is a Small Disadvantaged Business (SDB)
- President of the Wichita and Affiliated Tribes is Ms. Terri Parton
- Tribal Government
  - Headquarters located in Anadarko, Oklahoma
  - 2,857 tribal members receive benefits from AI
- AI has distributed over $10 M to WTIDC

PHILOSOPHY AND RESULTS

MISSION

Our Mission is to provide the highest quality services and products to our customers to create added value.

VALUES

We value our employees, our customers, our partners and our reputation.

CULTURE

Anadarko Industries is part of the Wichita Tribe family. We embrace the cyclical "spirit" of the Tribe as we encounter challenges each day. Our approach to Quality is driven by a continuous cycle of improvements and innovations from our employees who are devoted to serving our customers in the best way possible.

STRATEGY

Our strategy for success is to excel as a value-added partner to government agencies, large prime contractors and small businesses providing government support services.

Anadarko Industries was selected as the Small Disadvantaged Business of the Year by the USDA

AWARDS & RECOGNITIONS

USDA Small Disadvantaged Business (SDB) of the Year

OSHA VPP STAR Certified

NASA Space Flight Awareness Award

NASA JSC Super NOVA Safety Awards

NASA JSC Mentor of the Year

Houston Business Journal Recognized:

- Top 10 Largest NASA Johnson Space Center contractor
- Top 20 Largest Houston Technology Employers
- Top 11 Largest Houston Area Minority-Owned Business

Anadarko Industries was selected as the Eighteenth (11th) Largest Minority-Owned Business in the Houston Area

COMPANY DATA

NATIVE AMERICAN TRIBAL OWNED SMALL DISADVANTAGE BUSINESS (SDB)

CAGE CODE: 3K4Q0
DUNS #: 136727786

SIZE FAR CLAUSE 19.703 - Subcontracts awarded to an Indian tribe shall be counted towards the subcontracting goals for small business and small disadvantaged business concerns, regardless of the size or Small Business Administration certification status of the Indian tribe.

Texas HUB Vendor

NAICS CODES:

493110*	General Warehousing and Storage
518210*	Data Processing, Hosting, and Related Services
519190	All Other Information Services
541511*	Custom Computer Programming Services
541512*	Computer Systems Design Services
541513*	Computer Facilities Management Services
541519*	Other Computer Related Programming Services
541330(a)*	Engineering Services
541611	Administrative Management and General Management Consulting Services
541712*	Research and Development in the Physical, Engineering, and Life Sciences (except Biotechnology)
541690	Other Scientific and Technical Consulting Services
541930	Translation and Interpretation Services
541990	All other Professional, Scientific, and Technical Services
561210*	Base Facilities Operation Support Services

**AI qualifies as a small business prime contractor. Note: As tribal-owned, always small as a subcontractor for all NAICS.*

SYSTEM FOR AWARD MANAGEMENT (SAM) DATA

- 1-year Rolling Average Headcount is 76 employees
- 3-year Average Revenue is $17.8 M

DCAA AUDITED AND APPROVED ACCOUNTING SYSTEM

STRONG FINANCIAL CONDITION

Debt Free, Strong Financial Position with Substantial Line of Credit and Significant Working Capital

POSITIVE PAST PERFORMANCE EVALUATIONS ON ALL CONTRACTS

Strong Management Team with Emphasis on Quality Performance

STABLE INFRASTRUCTURE WITH EXCELLENT EMPLOYEE BENEFITS

- 97.8% Incumbent Employee Capture Rate Since Company Inception in 2003
- 100% New Hire Capture Rate for 2015 - 2017

COMPETITIVE INDIRECT RATE STRUCTURE

Anadarko
a native american company
Industries, LLC

Core Capabilities

Information Technology

- Help Desk/End User Support (Tiers 1, 2, 3)
- Systems Management (Networks, Cloud, Servers)
- Software Development and Maintenance
- Field Studies / Benchmarking
- Asset Management

Logistics & Facility Operations

- Warehousing Operations
- Shipping and Receiving; including Flight Equipment
- Inventory Management
- Material Management; including Hazmat Items
- Staging and Site Delivery
- VIP Tours and Chauffer Services
- Police Escorts
- MILDEC Operations
- IT Asset Management in Remedy
- Workorder Management in MAXIMO
- Facility Engineering Management

Business & Contract Operations

- Program Management
- Contract Management
- Financial Analysis
- Procurement and Acquisition Services
- Property and Asset Management
- Human Resources Management
- Administrative and Clerical Support

Engineering & Technical Services

- Institutional Safety
  - Fire Protection Engineering & Technical Support
  - OSHA VPP/Occupational Health
  - Safety Metrics and Analytics
- Health and Human Performance
  - Biomedical and Scientific Research
  - Human Factor Analysis
- Systems Engineering and Integration
  - Aerospace, Mechanical, Electrical, GN&C, ECLSS
  - Payloads Integration / Mission Operations
- Facility Engineering
- Test Safety Operations

Information Technology

What We Do

End User Support

- Help Desk/End User Support (Tiers 1, 2, 3)
- End User Training
- Call Center Operations
- Remote Support
- New Deployments and Upgrades

Systems Management

- System analysis and design
- Network administration
- IT systems configuration control
- Server Maintenance
- Cloud virtual servers

Software Development

- Business Process design and development
- Application Development (i.e. AGILE)
- Database design and management
- Software verification and validation
- Web and Portal Design (i.e. SharePoint)

Field Studies/Benchmarking

Asset Management

Customers

- National Aeronautics and Space Administration (NASA) Johnson Space Center (JSC)
- United States Department of Agriculture (USDA)
- USDA Forest Service
- Wichita Tribal Enterprises, LLC

INFORMATION TECHNOLOGY (CONT.)

CONTRACTS

Current

- USDA Large Office End User Support Services
- NASA JSC Center Safety & Fire Operations (CSFO)
- NASA JSC Human Health & Performance Contract (HHPC)

3-Year Past Performance

- Forest Service Automated Timber Sales Accounting (ATSA)
- USDA Large Office End User Support Services

5-Year Past Performance

- NASA JSC Center Institutional Safety Services (CISS)
- Forest Service Acquisition Management Systems (AQM)

Additional Past Performance

- Forest Service Virtual Incident Procurement (VIPR) System
- NASA JSC Human Resources and Procurement Office (HRPO)
- Forest Service Financial Systems Support

ACHIEVEMENTS

- Awarded Small Disadvantaged Business of the Year
- AI consolidated six USDA large office infrastructure support contracts into one standardized contract gaining synergies and reducing operating costs
- Two Exceptional Software awards for Workforce Transformation Tracking System at NASA
- "Initial VIPR system rolled out on schedule to meet Forest Service upcoming fire season. http://www.fs.fed.us/business/incident/vipr.php"
- Developed and integrated HR portal for NASA JSC that was adapted at headquarter level.
- Increased customer satisfaction from 50% to 98% approval at USDA Washington, D.C. Office.
- Developed JSC integrated Safety Reporting and Tracking System (SRTS).

EXCEPTIONAL USDA CPAR REVIEW:
Anadarko has consistently worked to increase the qualify of work as well as maintain the support levels at those high quality levels. Anadarko worked diligently throughout the performance period to adapt to the ever changing work climate in the USDA Washington, D.C. Office. They have increased and now maintain a high customer feedback rating. Quality of service has trended up during the performance period due to Anadarko's process improvement collaboration with Government staff. - *USDA Contracting Officer*

LOGISTICS & FACILITY OPERATIONS

WHAT WE DO

- Facility Logistics
- Warehousing Operations
- Shipping and Receiving; including Flight Equipment
- Inventory Management
- Material Management; including Hazmat Items
- Staging and Site Delivery
- Transportation and Fleet Management
- VIP Tours and Chauffer Services
- Police Escorts
- IT Asset Management in Remedy
- Work order Management in MAXIMO
- Facility Engineering Management
- Strategic Military Information Operations Planning and Operations
- Consultant services to support Psychological Operations, Electronic Warfare, Operations Security, Military Deception and Computer Network Operations on site at the U.S. Combatant Commands worldwide
- Support to Department of Defense (DoD) training efforts in field of military strategic and operational planning
- Expert analytical and historical research in field of military planning and military information warfare and operations, to include the publication of unclassified and classified white papers and studies for the senior leadership of the DoD.

CUSTOMERS

- National Aeronautics and Space Administration (NASA) Johnson Space Center (JSC)
- Department of Defense (DoD)
- Office of Naval Research (ONR)
- Pacific Architects and Engineering (PAE)
- Computer Corporation (CSC)
- DynCorp International
- ManTech, Inc.
- CACI, Inc.
- JMark Services

Logistics & Facility Operations (cont.)

Contracts

Current

- NASA JSC Facility Support Services (FSS)
- Russian Language & Logistics Services

3 Year Past Performance

- Support Services for the Office of Naval Research (ONR) for the Corporate Logistics Department (BD04)
- US Special Operations Command (USSOCOM)/Global Battlestaff and Program Support (GBPS) Information Operations and Irregular Warfare Analyst Support
- Military Deception (MILDEC)/Operations Security (OPSEC) Support
- Policy Analysis, Security and Operations (PASO) Support

Additional Past Performance

- Bella Contractor Support
- Under Secretary of Defense (Intelligence) Tampa MILDEC Planner Support Services
- NASA JSC Center Operations Support Services (COSS)

Achievements

- Received award for Hurricane Ike recovery efforts
- Responsible for loading and transporting $3 Million Moon Rover
- Lightning Bolt Award
- Responsible for supplying and maintaining 2 vending machines with commonly used tools and personal protective equipment (PPE) for 24/7 access
- Implemented and Operate a Consignment Room for readily available supplies

Exceptional USDA CPAR Review:
Anadarko has consistently worked to increase the qualify of work as well as maintain the support levels at those high quality levels. Anadarko worked diligently throughout the performance period to adapt to the ever changing work climate in the USDA Washington, D.C. Office. They have increased and now maintain a high customer feedback rating. Quality of service has trended up during the performance period due to Anadarko's process improvement collaboration with Government staff. - *USDA Contracting Officer*

Engineering & Technical Services

What We Do

Institutional Safety

- Facility Construction and Maintenance Safety
- Fire Protection Engineering
- Maintenance and inspection of fire protection systems
- Test safety operations
- Safety information systems
- Safety data reporting and trend analysis
- Safety awareness campaigns
- OSHA and Safety Training
- First Response Activities
- Evacuation Planning and Drills
- Occupational Health

Systems Engineering and Integration

- Aerospace Engineering (i.e. International Space Station)
- Payloads Integration
- Human Factors Analysis (IVA/EVA)
- Structural/Mechanical/Electrical/Propulsion
- Guidance, Navigation & Control (GN&C)
- Command & Data Handling (C&DH)
- Thermal Control Analysis
- Communication Systems
- Environmental Control and Life Support Systems (ECLSS)
- Stress Analysis
- Real Time Mission Operations Support
- Test and Verification

Facility Engineering

- Facility Buildouts and Modifications
- Facility Maintenance and Operations
- Moves and Upgrades

Health and Human Performance

- Health, Research and Laboratory Services
- Biomedical and Scientific Research
- Flight and Ground Occupational Health Programs
- Human Factors Analysis

Engineering & Technical Services (cont.)

Customers

- National Aeronautics and Space Administration (NASA) Johnson Space Center (JSC)
- Office of Naval Research (ONR)
- The Boeing Company
- KBRwyle
- MEI Technologies
- NLT Management Services, LLC
- DynCorp International

Achievements

- OSHA VPP STAR Certified Contract
- Awards for Hurricane Ike Recovery Efforts
- Boeing Silver Supplier Award 5 consecutive years
- NASA JSC Safety Action Team (JSAT) Awards
- NASA JSC "Going the Extra Mile" (GEM) Awards
- NASA JSC Supernova Safety Awards
- Silver Snoopy Award

Licenses / Certifications

- Texas Fire Marshal's Office (Alarm, Sprinkler, Extinguisher)
- Certified Safety Professionals
- Fire Protection Professional Engineer, PE
- OSHA VPP STAR

Contracts

Current

- NASA JSC Center Safety & Fire Operations (CSFO)
- NASA JSC Human Health & Performance Contract (HHPC)

3 Year Past Performance

- Boeing Engineering Technical Services (BETS)
- Support Services for the Office of Naval Research (ONR) for the Corporate Logistics Department (BD04)

Additional Past Performance

- NASA JSC Center Institutional Safety Services (CISS)
- NASA JSC Safety and Fire Services (SFS)
- Air Force Office of Scientific Research (AFOSR)
- NASA JSC Center Operations Support Services (COSS)
- NASA JSC Calibration and Metrology Services (CAMS)

Exceptional CISS CPAR Review:
"The contractor continues to be responsive to NASA's dynamic safety environment in spite of having reductions in its workforce. Further, the contractor fosters an environment of teamwork that allows it to effectively partner with NASA to ensure mission success...The contractor works very closely with Civil Service Management. The contractor is a valued member of the team, providing advice." - *CISS Contracting Officer*

Business & Contract Operations

What We Do

Business Management
- Program Management
- Contract Management
- Financial Analysis
- Procurement and Acquisition Services
- Property and Asset Management
- Human Resources Management
- Administrative and Clerical Support

Configuration Management
- Meeting Support (i.e. scheduling, agenda, minutes)
- Documentation Preparation
- Records and Data Management
- Review Cycle Coordination

Outreach and Event Support
- Conference and Event Planning (Turn Key)
- Website Registrations
- Brochures, Agendas, Programs, Presentations
- International Programs
- Safety Awareness Events

Operational Support
- Automobile leasing
- Technical communication support
- Librarian and historian

Key Customers
- Air Force Office of Scientific Research (AFOSR)
- National Aeronautics and Space Administration (NASA) Johnson Space Center (JSC)
- Office Of Naval Research (ONR)
- United States Department of Agriculture (USDA)
- UTC Aerospace Systems
- Pacific Architects and Engineering (PAE)

- DynCorp International
- KBRwyle
- NLT Management Services

Business & Contract Operations *(cont.)*

Contracts

Current

- NASA JSC Facilities Support Services (FSS)
- USDA Large Office End User Support

3-Year Past Performance

- NASA JSC Extravehicular Activity (EVA) Space Operations Contract (ESOC)
- NASA JSC Procurement Services Contract (PSC)
- Support Services for the Office of Naval Research (ONR) for the Corporate Logistics Department (BD04)
- USDA Large Office End User Support

Additional Past Performance

- Air Force Office of Scientific Research (AFOSR) Support Services
- NASA JSC Human Resources & Procurement Offices (HRPO) Support Services
- NASA JSC Center Operations Support Services (COSS)

Achievements

- Saved AFOSR $3M resulting in Outstanding Contracting Team Award for Air Force Research Laboratory (AFRL)
- Exceptional CPAR Ratings
- Consolidation of 6 contracts and contractors into one AFOSR contract
- Renewable Energy/Wind Turbine Installation at JSC Childcare Facility
- Handled $20M in Recovery Act Funding for JSC Projects
- Received Group Achievement awards for bringing JSC power supply feeds back up over a week prior to Space Shuttle Launch

Exceptional AFOSR CPAR Review:

"This past 12 months of performance by Anadarko Industries in conjunction with their subcontractor has been one of the most positive contract experiences I have ever encountered. Always on time with deliverables, responsive to varying demands, reactive to emergent situations, proactive to preclude issues on future AFOSR needs, effectively cross-utilizing personnel to accomplish the mission, and creative in development of ideas to save government costs. While there is always room for improvement in any effort, it is difficult to imagine where that would apply on this contract." - *AFOSR Contracting Officer*

BENEFITS OF USING AI

BENEFITS OF USING AI

- Per FAR Clause 19.703: Subcontracts awarded to an ANC or Indian tribe shall be counted towards the subcontracting goals for small business and small disadvantaged business (SDB) concerns, regardless of the size or Small Business Administration certification status of the ANC or Indian tribe.
- Therefore, prime contractor can subcontract to AI and receive small business and small disadvantaged business (SDB) credit for life of contract without consideration of prime contract's NAICS code or size standard.
- Also, when one or more subcontractors are in the subcontract tier between the prime contractor and AI, the prime contractor can still count our subcontract revenue towards achieving the contract's small business and SDB subcontracting goals.
- AI is a dynamic enterprise excelling in both Government prime contractor and subcontractor roles
  - Experienced core management team
  - Competitive and realistic indirect rates
  - Comprehensive compensation package
  - Access to many capable resources
  - DCAA Audited and Approved Accounting System
  - AI is a high quality cost competitive small disadvantaged business
